

Mobile app interface showing a contact form. The form is displayed on a light blue background within a white container. The form fields are labeled "Nombre", "Correo", "Telefono", and "Asunto". Each field is a white rectangular input box. Below the fields is an orange button labeled "Enviar". The top of the screen shows a navigation bar with links: "Inicio", "Mi Cuenta", "Contacto", "Iniciar Sesión", and "...". The status bar at the top indicates signal strength, battery level, and the time 15:43.

Web browser interface showing the same contact form. The browser window has a title bar "A Web Page" and a address bar showing "https://www.Abogabot.com". The navigation bar at the top of the page contains links: "Inicio", "Mi Cuenta", "Contacto", "Iniciar Sesión", and "...". The form is centered on the page and consists of a light blue rectangular area containing the labels "Nombre", "Correo", "Telefono", and "Asunto", each followed by a white input field. An orange button labeled "Enviar" is positioned below the input fields. The browser's status bar at the bottom shows a search icon and a close icon.
